DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

Please see the attached communication regarding applicants' response filed 9/30/05.

Applicants' election of Group I (now claims 21-37) is acknowledged.

However, applicants have failed to elect a specie. A "specie" in this case is a fully defined composition. The elected composition should account for all ingredients, including the polypeptide, each of the surfactant compounds, the constitution of the "pharmaceutically acceptable carrier", and the "non-hygroscopic additives" (if any).

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
